

Physical Therapy

ProSport Physical Therapy, established in 1993, provides patients with comprehensive, personalized restoration of normal, pain-free function and mobility.

Our staff of licensed Physical Therapists (PTs), licensed Physical Therapy Assistants (PTAs) and Certified Athletic Trainers (ATCs) are knowledgeable and skilled in administering the most effective and innovative treatments possible.

A thorough evaluation and complete understanding of the human body enables us to customize preventive and rehabilitative programs to meet the needs of all our patients from adolescent, high school, college and professional athletes to "everyday" individuals with active, healthy lifestyles.

With two locations in Southern California to serve you; Newport

Beach, near John Wayne Airport, and in Rancho Santa Margarita - ProSport Physical Therapy's world-class, state-of-the-art facilities are safe, friendly and designed to promote health and healing.

Our continued success and reputation are driven by a commitment to the highest ethical standards of professionalism and conduct.

Do you need to mend your injured limbs and muscles for maximum performance? Returning your body quickly and safely to optimum, tip-top condition remains our highest priority.

Call today to schedule an appointment with Orange County's leading rehabilitation clinic ProSport Physical Therapy.
